Every morning we have volunteers that arrive at 7:30 a.m. and they begin to brew coffee for the many coffee areas around our church. We supply coffee to about five different areas of our church for the 9 a.m. and 11 a.m. services. Many of our congregants like to have their first cup of the day here at the Church. We also provide coffee to our 5:30 p.m. service as well. We supply enough coffee and peppermints for the entire church, so it takes a dedicated team to brew enough coffee and prepare our serving areas.</p> <p>Under: positive idea by music point</p> <p>SOT: Grinded Coffee Beans being poured into a coffee filter</p>

We also recognize that we are a big church and sometimes you can feel a little disconnected. For that reason, we have what we call "ChurchLife greeters" at every entrance to the building and every entrance to the Main Sanctuary shaking hands and handing out the First Cup Bulletin. We are always in need of kind-hearted people to help us in stewarding our first-time guests and making sure that everyone feels welcomed."</p> <p>Under: positive idea by music point</p> <p>SOT: People having conversations in the foyer</p>
